# 1 Vizrt SDI I/O Module 1.1.1

**Release Date:** 2022-08-12

These are the release notes for Vizrt SDI I/O Module version 1.1.1 This section summarizes the changes that have been done to the software since release 1.1.0.

## 1.1 Improvements

- Adjusted audio level on recordings to match Vectar Plus behavior

## 1.2 Fixed Issues

- Fixed an issue with the list of frame rates in the Video Settings tab of the Configuration window.
- Fixed an issue where VU meters did not show if your source was an RTMP input.
- Fixed an issue where NDI loopbacks could sometimes stutter or freeze.

## 2 Vizrt SDI I/O Module 1.1.0.

**Release Date:** 2021-06-21

These are the release notes for Vizrt SDI I/O Module version 1.1.0. This section summarizes the changes that have been done to the software since release 1.0.0.

### 2.1 Improvements

- Added support for Color correction when using NDI to SDI output.
- Added support for 4K Key and Fill for Mark M units
- Adapted Key and Fill configurations for Mark M units to improve handling of video and alpha.
- Added support for NDI 4.5
- Added ability to remove media file names from the Local source list

#### 2.1.1 User Interface

- Adapted I/O Configuration window to reflect new Key and Fill channels for Mark M units.
- Added general improvements to configuration windows and text fields

### 2.2 Fixed Issues

- Corrected an issue where the Record Name could not match the Channel Name
- Corrected an issue where occasionally at startup an input channel would display “Connecting to (NDI source)” when an NDI source was/is connected.
- Corrected an issue where software would omit spaces from filenames set by users for recordings. Corrected an issue where SDI outputs would not send display video automatically after session restart.
- Corrected an issue where changing from Quadlink output to single SDI output (Ch 1 or 5) would cause output issues with channels 2-4 or 6-8

## 3 Documentation

Documentation for Vizrt SDI I/O Module is available at the Vizrt Documentation Center [docs.vizrt.com](https://docs.vizrt.com)

## 4 Support

Support is available at the [Vizrt Support Portal](#)<sup>1</sup>.
